Independent Auditor's Report

To the General Partner
Parsonage Cottage Senior Residence Limited Partnership

We have audited the accompanying financial statements of Parsonage Cottage Senior Residence Limited Partnership, which comprise the balance sheet as of December 31, 2019, and the related statements of operations, changes in partners' equity (deficit) and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Parsonage Cottage Senior Residence Limited Partnership as of December 31, 2019, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information on pages 17 and 18 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

See Notes to Financial Statements.

Parsonage Cottage Senior Residence Limited Partnership

Notes to Financial Statements December 31, 2019

Note 1 - Organization and nature of operations

Nature of operations

Parsonage Cottage Senior Residence Limited Partnership (the "Partnership") is a Connecticut limited partnership formed in 1995 to construct, rehabilitate and operate a 40-unit residential rental apartment building known as Parsonage Cottage in Greenwich, Connecticut (the "Property" or "Project"). The Project is a Licensed Home for the Aged under the State of Connecticut requirements. A certain number of units are to be occupied by qualifying tenants under the Low-Income Housing Tax Credit Program. Parsonage Cottage was completed and available for rental in March 1997. The general partner, Town Hall Annex Corporation, has agreed to fund operating deficits.

The term of the Partnership shall continue until December 31, 2094, unless sooner dissolved in accordance with the provision of the Partnership Agreement.

The Partnership has received an allocation of credits from the state allocating agency, calculated at 8.44% of qualified rehabilitation costs. The annual credit, totaling \$286,425, may be claimed each year for 10 years and is subject to adjustment. To qualify for the tax credits, the Partnership must meet certain requirements including attaining a qualified eligible basis sufficient to support the allocation.

The major activities of the Partnership are governed by the Limited Partnership Agreement and Internal Revenue Code Section 42. The project has qualified for and been allocated low-income housing tax credits pursuant to Internal Revenue Code Section 42, which regulates the use of the Project as to occupant eligibility and unit gross rent, among other requirements. The project must meet the provisions of these regulations during each of 15 consecutive years in order to continue to qualify to receive the tax credits. Failure to comply with occupant eligibility and/or unit gross rent or to correct noncompliance within a specified time period could result in recapture of previously taken low-income housing tax credits plus interest. Such potential noncompliance may require an adjustment to the contributed capital by the Investor Limited Partner. In addition, the Partnership has executed an extended use regulatory agreement and declaration of restrictive covenants which requires the utilization of the project pursuant to Section 42 for a minimum of 30 years, even if the Partnership disposes of the project.

Note 2 - Summary of significant accounting policies

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Tenant accounts receivable

Tenant receivables are charged to bad debt expense when they are determined to be uncollectible based upon a periodic review of the accounts by management. Accounting principles generally accepted in the United States of America ("GAAP") require that the allowance method be used to recognize bad debts; however, the effect of using the direct write-off method is not materially different from the results that would have been obtained under the allowance method.

Parsonage Cottage Senior Residence Limited Partnership

Notes to Financial Statements December 31, 2019

Rental property

Rental property is recorded at cost. Depreciation of rental property is computed primarily using the following methods and estimated useful lives:

	Method	Estimated useful lives
Building and improvements	Straight-line	15 - 40 years
Site improvements	Straight-line	15 years
Furniture and equipment	Straight-line	5 - 10 years

Expenditures for maintenance and repairs are charged to expense as incurred; expenditures for renewals and betterments which add to the value of the related assets or materially extend the life of the assets are capitalized. When sold, retired, or otherwise disposed of, the costs of assets and related accumulated depreciation will be removed from the accounts and any gain or loss credited or charged to income.

Impairment of long-lived assets

The Partnership reviews its rental property for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. When recovery is reviewed, if the undiscounted cash flows estimated to be generated by the Property are less than its carrying amount, management compares the carrying amount of the Property to its fair value in order to determine whether an impairment loss has occurred. The amount of the impairment loss is equal to the excess of the asset's carrying value over its estimated fair value. No impairment loss has been recognized during the year ended December 31, 2019.

Rental income

Rental income is recognized as rentals become due. Rental payments received in advance are deferred until earned. All leases between the Partnership and the tenants of the Property are operating leases.

Advertising costs

The Partnership's policy is to expense advertising costs when incurred.

Income taxes

The Partnership has elected to be treated as a pass-through entity for income tax purposes and, as such, is not subject to income taxes. Rather, all items of taxable income, deductions and tax credits are passed through to and are reported by its owners on their respective income tax returns. The Partnership's federal tax status as a pass-through entity is based on its legal status as a partnership. Accordingly, the Partnership is not required to take any tax positions in order to qualify as a pass-through entity. The Partnership is required to file and does file tax returns with the Internal Revenue Service and other taxing authorities. Accordingly, these financial statements do not reflect a provision for income taxes, and the Partnership has no other tax positions which must be considered for disclosure. Income tax returns filed by the Partnership are subject to examination by the Internal Revenue Service for a period of three years. While no income tax returns are currently being examined by the Internal Revenue Service, tax years since 2016 remain open.

Parsonage Cottage Senior Residence Limited Partnership

Notes to Financial Statements December 31, 2019

Change in accounting principle

In November 2016, the Financial Accounting Standards Board issued Accounting Standards Update 2016-18 *Statement of Cash Flows (Topic 230) - Restricted Cash* ("ASU 2016-18") to address diversity in practice with respect to the cash flows presentation of changes in amounts described as restricted cash and cash equivalents. ASU 2016-18 requires a reporting entity to include amounts described as either restricted cash or restricted cash and cash equivalents (collectively referred to as "restricted cash" herein) when reconciling beginning and ending balances in its statement of cash flows. The update also amends Topic 230 to require disclosures about the nature of restricted cash and provide a reconciliation of cash, cash equivalents and restricted cash between the balance sheet and the statement of cash flows. ASU 2016-18 was adopted retrospectively during the year ended December 31, 2019. Consequently, ending cash and restricted cash as of December 31, 2018 was increased from \$10,556 to \$140,605.

Note 3 - Leasing arrangements

The Partnership built Parsonage Cottage on land leased from the Town of Greenwich. The lease is an operating lease and will expire 99 years after the issuance of an occupancy permit with respect to the Parsonage Cottage. The Partnership is responsible for all taxes, insurance, utilities, and maintenance on the Property. Annual lease payments due on the lease are \$1.00 per year.

Note 4 - Replacement reserve

The Partnership Agreement requires that a replacement reserve account be established and funded each year from the date of construction completion. At December 31, 2019, the balance of the replacement reserve was \$130,654.

Note 5 - Related party transactions

Identity of interest

An identity of interest exists between the Partnership and the Housing Authority of the Town of Greenwich ("HATG"), an affiliate of the general partner. The majority of direct expenses for the Partnership, as well as shared costs such as accounting, computer costs, maintenance, etc. are paid through the HATG revolving fund and reimbursed by the Partnership. All costs paid by HATG and subsequently reimbursed by the Partnership are without any mark-up or profit.

The financial position and activities of the Partnership are included in the financial statements of HATG.

Property management services

The general partner has contracted HATG to provide property management services to the project. For these services, a management fee of 6% of the project's gross rents will be paid to HATG. HATG is also reimbursed by the project for payroll and related costs as well as for other administrative costs. During 2019, property management fees of \$118,569 were charged to operations. As of December 31, 2019, \$1,686,551 remains payable.

Due to affiliate

Additionally, at December 31, 2019, outstanding advances from the general partner and management agent to cover operating deficits of the Partnership totaled \$422,890. These advances are noninterest-bearing.

Parsonage Cottage Senior Residence Limited Partnership

Notes to Financial Statements December 31, 2019

Unpaid amounts due to the general partner and management agent for these services and advances detailed above will be paid from available cash flow and/or a sale or refinancing of the Property.

Partnership supervision fee

In accordance with the Partnership Agreement, a partnership supervision fee is to be paid to the Special Limited Partner for its services in monitoring the operations of the Partnership. The fee is \$2,500 per year and payable from cash flow in accordance with the Partnership Agreement. At December 31, 2019, accrued fees totaled \$57,500.

Note 6 - Statement of cash flows

The following table provides a reconciliation of cash and restricted cash reported within the balance sheet that sum to the total of the same such amounts in the statement of cash flows.

Cash	\$ 58,683
Replacement reserve	<u>130,654</u>
Total cash and restricted cash shown in the statement of cash flows	<u>\$ 189,337</u>

Amounts included in restricted cash are comprised of the replacement reserve as required by regulatory authority and the Partnership Agreement.

Note 7 - Long-term debt

On April 17, 1997, the Partnership entered into a 30-year loan agreement with the Town of Greenwich (the "Town Loan") in the original amount of \$1,148,324. The loan accrued interest at 6% per annum and required monthly payments of interest and principal of \$6,885. On May 18, 2016, the Project had the Town Loan modified to reduce the interest rate from 6% to 1% per annum and reduced monthly payments of interest and principal from \$6,885 to \$2,848. The modification was retroactively effective in January 2016 and the maturity date was amended from the original 30-year period to 22-years from January 2016. All principal and accrued interest is due at maturity in December 2037. The outstanding principal as of December 31, 2019 was \$562,807. Interest expense incurred and paid on this note totaled \$5,784 in 2019.

The Partnership received an additional promissory note payable to the Town of Greenwich in the original amount of \$675,000. The loan is funded through proceeds of a CDBG grant received in connection with the rehabilitation of the Project. The note, entered into on April 17, 1997, was for 30 years with monthly interest and principal payments of \$3,226. On May 18, 2016, the Project had the CDBG Loan modified to reduce the interest rate from 4% to 0% per annum and reduced monthly payments of principal from \$3,226 to \$1,320. The modification was retroactively effective in January 2016 and the maturity date was amended from the original 30-year period to 22-years from January 2016. All principal and accrued interest is due at maturity in December 2037. The outstanding principal as of December 31, 2019 was \$285,175. There was no interest expensed or incurred on this note in 2019.

The above-mentioned notes are secured by mortgages and security agreements covering the Property. Certain of the notes are also secured by assignments of leases, rents and profits. The liability of the Partnership under the notes is limited to the underlying value of the real estate collateral.

Parsonage Cottage Senior Residence Limited Partnership

Notes to Financial Statements December 31, 2019

As of December 31, 2019, estimated principal payments due on the Partnership's notes for the ensuing five years and thereafter are as follows:

December 31, 2020	\$	44,524
2021		44,812
2022		45,103
2023		45,397
2024		45,694
Thereafter		<u>622,452</u>
	\$	<u>847,982</u>

Note 8 - Capital contributions

The general partner, Town Hall Annex Corporation, contributed \$100 in exchange for a 1.0% ownership interest. The special limited partner, EC-SLP, Inc., contributed \$100 in exchange for a .01% ownership interest. The investor limited partner, Corporations for Affordable Housing L.P. II, contributed \$1,758,077, subject to adjustment, in exchange for a 98.99% ownership interest. During 1999, there was a transfer of ownership interest and Town Hall Annex Corporation's interest became 0.10% and Corporations for Affordable Housing L.P. II's interest became 99.90%.

On December 3, 2012, EC-SLP, Inc. and Corporations for Affordable Housing L.P. II executed an Assignment and Substitution Agreement of Limited Partner Interest and Special Partner Interest transferring their respective interest in profits, losses, distributions and capital and any claim of the respective partner against, or to the assets of the Partnership, to HATG.

Profits, losses, tax credits, and cash distributions are allocated among the partners in accordance with the terms of the Partnership Agreement.

Note 9 - Rental income

The State of Connecticut, Department of Social Services, provides rental subsidy to the project. Rent subsidy of \$1,449,635 was received in 2019 representing 73% of net rental income.

Note 10 - Grant income

In 2019, the Partnership received Community Development Block Grant ("CDBG") grants in the aggregate amount of \$123,884 from the Town of Greenwich Office of Community Development in connection with boiler and hot water heating system replacement and door replacement projects at the Property. The grant payments were recognized as grant income upon completion of the related projects in 2019, which are included in miscellaneous other income (expense) on the accompanying statement of operations.

Note 11 - Concentration of credit risk

The Partnership maintains its cash balances in several accounts in one bank. The cash balances are insured by the Federal Deposit Insurance Corporation up to \$250,000. At times, these balances may exceed the federal insurance limits; however, the Partnership has not experienced any losses with respect to its bank balances in excess of government provided insurance. Management believes that no significant concentration of credit risk exists with respect to these cash balances at December 31, 2019.

Parsonage Cottage Senior Residence Limited Partnership

Notes to Financial Statements December 31, 2019

Note 12 - Schedule of surplus cash

The Partnership Agreement defines the priority in which cash can be distributed. Prior to distributions of operating cash flow to partners, gross cash receipts from operations shall be used to pay Partnership expenses in the following order of priority:

- (i) Payment of the debt service due and payable on the Town Loan and the CDBG Loan and other Partnership Expenses, including any required additions to the Capital Replacement Reserve, except for Partnership Expenses listed in clauses (ii) through (v) below;
- (ii) Payment of the Partnership Supervision Fee;
- (iii) Payment of any Operating Deficit Loan;
- (iv) Payment of any current and accrued interest on the Non-Profit Loan (PCHA); and
- (v) Payment of any principal payments due on the Non-Profit Loan (PCHA).

The calculation of excess cash is as follows:

Net income (loss)	\$ (46,586)
Add back: Partnership supervision fee	2,500
Add back: Depreciation expense	<u>161,164</u>
Net income from operations	117,078
Principal payments on loans	<u>(44,237)</u>
Excess (deficit) cash	<u><u>\$ 72,841</u></u>

Distributions from a sale or refinancing shall be allocated in accordance with the Partnership Agreement.

Note 13 - Economic dependency

The Partnership operates the Property located in Greenwich, Connecticut. Future operations could be affected by changes in economic or other conditions in that geographical area or by changes in low-income housing subsidies or the demand for such housing.

Note 14 - Subsequent events

Events that occur after the balance sheet date but before the financial statements were issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the balance sheet date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the balance sheet date require disclosure in the accompanying notes. Management evaluated the activity of the Partnership through September 25, 2020 (the date the financial statements were available to be issued) and concluded that other than the subsequent event discussed below that no subsequent events have occurred that would require recognition in the financial statements or disclosure that is required in the notes to the financial statements.

Parsonage Cottage Senior Residence Limited Partnership

**Notes to Financial Statements
December 31, 2019**

In early 2020, an outbreak of a novel strain of coronavirus (COVID-19) emerged globally. As a result, events have occurred including mandates from federal, state and local authorities leading to an overall decline in economic activity which could result in a loss of lease revenue and other material adverse effects to the Partnership's financial position, results of operations, and cash flows. The Partnership is not able to reliably estimate the length or severity of this outbreak and the related financial impact.
